Final Note by the First Member of Council.

Subject:—

Estimate amounting to Rs.6,890/- for constructing a shed for keeping the Aeroplane presented by the Government of India.

In accordance with His Highness' orders, conveyed in Mr. Campbell's demi official letter No.24 dated the 2nd August 1921, the Superintendent, Government Museum, was asked to make arrangements to receive the aeroplane presented by the Government of India, place it in a suitable open shed near the Museum and keep it clean at a small expense.

2. The Superintendent has now forwarded for sanction, a plan and estimate amounting to Rs.6,890/-, for constructing a shed for keeping the aeroplane near the Museum in the Cubbon Park, but, also suggests that with a view to avoid this large expenditure as well as the disfiguring of the Park by the construction of the shed, the aeroplane may be hung up in the glass house at Lal-Bagh, at ordinary times ~~it being~~ just over the peoples heads so as to make a close view possible, ~~while~~ and being raised during the flower show and other functions sufficiently high to be clear of everything.

3. I am inclined to support the suggestion to keep the aeroplane in the glass house at Lal-Bagh at a cost of Rs.500/- as it is undesirable to spend over Rs.6,000/- in building a shed to house the aeroplane at the present juncture, while the structure itself is not likely to be a thing of beauty so far as the Cubbon Park is concerned. To keep the aeroplane in the glass house in the Lal-Bagh will cost less and it will be seen by as many - if not more - people there as it would be if kept in the Park.

4. The accompanying draft order sanctioning the above proposal, which has been agreed to by the Dewan also, may be graciously approved.

OFFICE OF THE ECONOMIC BOTANIST,

TEL. ADDRESS:
"HORTI. BANGALORE."

DATED, 7th March 1922.

From

G. H. KRUMBIEGEL Esq., F.R.H.S.,

SUPERINTENDENT, GOVT. GARDENS.

8 - MAR 1922

To

The Secretary to the Govt. of Mysore,
General Department,
BANGALORE.

Sir,

I have the honour to forward herewith an outline plan and a rough estimate amounting to Rs.6,890/- on account of constructing a shed for keeping the Aeroplane near the Museum in the Cubbon Park. On account of the financial stringency I have kept the building quite plain and it will not be a desirable acquisition to the Park but if the Aeroplane is to be kept near the Museum such shed is absolutely necessary. To avoid both the expenditure as well as the disfiguring of the Park it might be advisable to put up the Aeroplane in the Lal-Bagh where it could be hung from the 4 central columns in the Albert Victor Hall. At ordinary time it would be just over the peoples head so as to make a close view possible while during the Flower show and other functions it could be raised sufficiently to be clear of everything. The necessary tackle brackets, etc., for getting it up in the Glasshouse would be within Rs.500/-. The number of people that would see it is the same in either place.

Soliciting Government orders.

I have the honor to be,
Sir,
Your most obedient servant,

G. H. Krumbiegel
